For: Offset Router Flush Cutting Base)	

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Response to Office Action, Unnumbered Paper dated November 28, 2005

1.   This responds to the Patent Office communication dated 11/28/2005. Please enter the following amendments, canceling claims as set forth below, and reconsider this application in light of the claims as amended. As so amended, the applicant believes he has complied with all requirements expressly set forth in Office Action dated November 28, 2005, and this application is therefore in a condition for issuance of a Notice of Allowance. Please note that all pending claims of this application are listed below, each section of amendments and remarks beginning on a separate sheet, consistent with USPTO Final Rule under 37 CFR 1.121, effective July 30, 2003. Accordingly, all claims being canceled (if any), and all new claims (if any), are so indicated, and all claims being currently amended (if any) are presented with markings to indicate the changes that have been made relative to the immediately prior version. Further, changes are shown by strikethrough (for deleted matter) and underlining (for added matter), and a "clean version" is not separately presented. A Petition for Extension of time under 37 CFR 1.136 is being submitted with this Response.

Disclosure Amendments

2.   Please amend this application for patent as follows:

Page 19, line 8, after "The router," strike reference character --1--.

Page 20, line 1, after "to hold the base," delete reference character --9--, and add new reference character --8--.

Page 20, line 8, delete repeated words, --and set--.

Page 21, line 2, before "13 of sub-base 10," delete --surface--, and add --face--.
